: DECISION ON PETITION  
:  
: UNDER 37 CFR 1.137(b)  
:  
:

The petition to revive under 37 CFR 1.137(b) filed 05 March 2002 in the above-captioned application is hereby **GRANTED** as follows:

Applicants' statement that the "entire delay from the deadline for entry into the U.S. national stage to the date of the present petition was unintentional" has been interpreted as meaning that "entire delay in filing the required reply from the due date for the reply until the filing of this petition under 37 CFR 1.137(b) was unintentional" as required by 37 CFR 1.137(b)(3) at the time of filing this petition. If this is an incorrect interpretation in view of the rules, petitioner is required to promptly notify this office.

A review of the application file reveals that the basic national fee of \$445 and the required petition fee of \$640 have been paid and thus, the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America.

This application is being forwarded to the National Stage Processing Division of the Office of PCT Operations for continued processing including the issuance of a Notification of Missing Requirements indicating that an oath or declaration executed by the inventors and the \$65 surcharge for filing the declaration after the twenty month period is required.
